

Life [Lyrics]

[Default Arrangement]

Verse 1

Dead in our sin
Jesus walked right in
Knowing that we could not save ourselves

Chorus

He set it right (once and for all)
He set it right
He gave us life
He gave us life

Verse 2

He became like us
Humbling Himself on the cross
Taking all our sin and our shame

Bridge

Now nothing can separate us from His love
Now nothing can separate us from His love
Not trouble or hardship or persecution
famine, or danger or death
Not angels or demons, the present or future
No power in heaven or hell
