

Miracles [Lyrics]

[Default Arrangement]

Verse 1

You take these loaves and these few fish
And with them you feed thousands
You let my broken body touch
The hem of Your beautiful garment

Pre-chorus

Over and over again
You prove your kindness to me
Over and over again
You show me you are worthy
of my faith

Chorus

Where I have chosen, dreamt, or waited
Misplaced my heavy expectations
Come, Lord Jesus, meet my need
And with your kindness supersede
All the other things
Every other thing

Verse 2

You calm the wind and still the waves
The walk on the water to meet me
You turn my water into wine
And give me a glimpse of Your glory

Bridge

Help my unbelief
Give me eyes to see
Help my unbelief
Give me faith to receive (all you have for me)
