**Sunriver's House Numbering System:** #25 Poplar Lane

### CHECK IN/OUT

Check in: **3pm** or later. Keypad door code and bottom button to unlock/lock door.  
Check out: **12pm** or earlier. Please start the dishwasher and take out kitchen trash.

### INTERNET/WI-FI

SSID: **SunriverRetreat**  
Password: **poplarloop**

The modem (large black device) and Wi-Fi router (white cube) are located along with a wireless printer/scanner in the main bedroom armoire. Wi-Fi extenders are located in the living room and downstairs bunk room.

### RECREATION PASSES

10 recreation passes are hanging in the dining room. Please return all cards before your departure to avoid replacement fees. Included with your Recreation Passes:

- [Access to SHARC Aquatic Swim Center](#). 1 card needed **per person**. Bring beach towels (located just inside the hot tub sliding door), **as towels are not provided by SHARC**. For detailed information, visit [sunriversharc.com](http://sunriversharc.com).
- [Disc Golf/Winter Tubing Hill](#). Check in at SHARC with your pass at the front desk for discs and access.
- [Tennis & Pickleball](#). For required reservations, call 541-593-5797 or visit [sunrivertennispickleball.com](http://sunrivertennispickleball.com). A Recreation Pass is needed to open gates.
- [Boat Launch Access](#). Recreation Pass needed for gate access on Deschutes Road next to the Sunriver Resort Marina.

### HEATING & COOLING

The furnace and air conditioner are controlled by a single Ecobee smart thermostat, located in the upstairs hallway. To adjust the heat, press and hold the lower temperature shown on the touchscreen, then swipe up or down to set the temperature. For a/c, do the same with the higher temperature shown.

The stove in the main bedroom runs on gas. There is a flip down panel on the front of the stove with instructions for lighting.

### TV

The main living room and downstairs bunk room are equipped with Vizio smart TVs for streaming and screen sharing. To use built-in apps, change TV input to "**SmartCast**" and select a streaming app to login (remember to log out before you leave). The "**WatchFree+**" input offers many live channels. iOS users can screen share to the "**Airplay**" inputs on either TV.

### BIKES

Several bicycles are provided in the garage. Please inspect the bikes for safety before riding and wear a helmet (all riders under the age of 16 are required by law to wear helmets). Ride at your own risk.

### HOT TUB

The key to unlock the hot tub padlock is located in the kitchen above the coffee maker. For safety, please lock the hot tub when not in use. To adjust the temperature, press the "temp" button to cycle through temperatures until the desired temp is reached (max. 104°). If the hot tub has switched into sleep mode (or SL mode), press and hold the light and temp buttons together to wake.

### OUTDOOR GRILL

There is a gas valve lever on the deck just outside the living room patio door. Turn it to the up position to open the valve. Turn the lever back to the off position when you are finished using the grill.

### CHILDREN/BABIES

There is a pack-n-play stored in the laundry room along with a baby gate for the living room stairs. A stroller is stored in the garage cabinet.

### GARBAGE

The garbage bin is located beside the house on the garage side inside the enclosure. Secure lids to avoid attracting animals. **Garbage is picked up from the enclosure on Wednesdays**. Recycling may be dropped off at the Sunriver Recycling Center.

### ELECTRICAL BREAKERS

The electric panel is located in the downstairs bedroom behind the canvas artwork.
